AUTOBODIES (Must have title completely signed off.
Vehicles accepted 'as is' - no charge for
fluids or tires)

SHEET IRON

APPLIANCES (refrigerant recovery is free)

FOUNDRY (2 ft. & under)

PLATE & STRUCTURAL (2 ft. & under pays more)

CAST IRON (2 ft. & under pays more)

AUTO CAST

MOTOR BLOCKS (all fluids drained and filters removed)

TRANSMISSIONS (oil & fluids drained)

ALUMINUM

ALUMINUM WIRE (clean & insulated)

C.A.T.V. CABLE

ALUMINUM SIDING

CAST ALUMINUM

ALUMINUM LITHO PLATE

ALUMINUM SIGNS

RADIATORS

ALUMINUM FOIL & CANS

ALUMINUM WHEELS (with & without chrome)

ALUMINUM PISTONS

MAGNESIUM

ZINC

COPPER

COPPER (solids, wire, insulated, bare, & Christmas lights)

BRASS (yellow, red, semi-red, hard)

BRONZE

HEATER CORES

ELECTRIC MOTORS

OTHER

AUTO BATTERIES

NICKEL

CARBIDE

STAINLESS STEEL

SCRAP LEAD & WHEEL WEIGHTS

CATALYTIC CONVERTORS

E-SCRAP (laptops, CPU/towers, cell phones, circuit boards)

SCRAPPY'S HELPFUL HINTS

Separate the different types and grades
of material to earn more money.

PROPANE TANKS:

- Must be separated from other sheet metal for safety!

AUTOBODIES: Fluid recovery is free!

- Remove the battery & catalytic converter & turn in separately to earn more money.

APPLIANCES: Refrigerant recovery is free!

- Remove cords & turn in separately to earn more money.

ALUMINUM SHEET & SIDING:

- Remove all other metals (staples, nails, screws, etc.) to earn more money.
- Aluminum with small amounts of other metal= 95/5
- Aluminum with plastic, glass or insulation= 90/10

CAST ALUMINUM:

- Remove all plastic & other metals including gears, handles and other attachments to earn more money.
- With small amounts of other metals.= Breakage
- With large amounts of other metals= Sheet Metal

ALUMINUM WHEELS: (with & without chrome)

- Remove wheel weights, valve stems, plastic and other metals to earn more money.

COPPER:

- Remove all solder, corrosion, oxidation & paint to earn more money.

COPPER WIRE:

- Strip insulation to earn more money
- #1 wire is the size of a pencil lead or larger

BRASS & ZINC

- Remove all plastic & other metals to earn more money.
- Brass Shells must be kept separate from other brass.

STAINLESS STEEL

- Remove all plastic & other metals to earn more money
- Anything over 4 feet long will be coded as dirty/oversized stainless.

ELECTRIC MOTORS:

- Motors still attached to machinery, tanks or surrounded by a large amount of metal= Sheet Metal

E-SCRAP: (laptops, CPU/towers, cell phones, circuit boards)

- Secure destruction available upon request.
