

About Kids' Food Basket

Kids' Food Basket (KFB) was founded to nourish children to reach their full potential. We are a community-based food equity nonprofit supporting our West Michigan neighbors in Kent, Muskegon, Ottawa and Allegan counties who are under-resourced and impacted by poverty and food insecurity. Our services include our flagship Sack Supper program, sustainable farming, community food distribution and educational programming.

Kids' Food Basket is now serving about 10,000 weekday evening meals to 61 schools in four counties. We work toward a future in which all children have access to the nourishment that fosters their lifelong health and limitless potential.
