

Brown Bag Decorating

Add a touch of *love* to our Sack Suppers.

Sack Suppers are nutritious, ready-to-eat evening meals delivered right to a child's school or distribution site. These meals ensure children have access to the healthy food they need to thrive. We can take this one step further through bag decorating, adding a colorful reminder that the community cares.

Need some inspiration? Here are a few ideas:

Draw your favorite **shapes and scenes** like rainbows and swings!

Color up some **animals** or your favorite **pet!**

Write an inspirational message like **"You are amazing!"**

It takes a lot of love and support from volunteers like YOU to make these bags shine!

What you'll need: Brown or white 4, 6, 8 lb. or extra-large paper sacks. | Crayons or markers.

What to skip: Avoid using paint, glitter, feathers or stickers, as they can come off in the food that will be packed into the bag.

Please keep in mind that many Sack Suppers will be going to public schools and therefore cannot contain religious or political messages.
