

# Round up to support West Michigan kids!

Over 1.5 million people in Michigan are facing hunger.

Over 400,000 of them are children.\*

Together, we can do something about that.

Round up your purchase or donate to support Kids' Food Basket and help nourish West Michigan children to reach their full potential! Your donation provides healthy food and nutrition education to approximately 11,000 kids each weekday. Every dollar counts and every meal matters!
