

We invite you to a one-of-a-kind farm formal evening on Thursday, September 24, 2026, at Kids' Food Basket Farm - Kent County.

Join us for a night of elegance as we recognize more than two decades of increasing access to healthy food for West Michigan's next generation. Our lush Kent County greenhouse will be aglow as it is transformed into an enchanting dining space where culinary excellence and community impact intertwine.

At One Meal, One Mission, our chef will carefully curate each dish using fresh, seasonal ingredients, crafting a meal that is as meaningful as it is delicious. This is not just a meal—it is an opportunity to come together supporting one singular mission: nourishing children to reach their full potential.

Cocktails and hors d'oeuvres will begin at 6 p.m. with dinner to follow.

By attending One Meal, One Mission, you are helping us work toward a more equitable West Michigan for all.

Why Sponsor One Meal One Mission?

This event supports KFB's mission to nourish children to reach their full potential. We are a community-based food equity nonprofit serving our West Michigan neighbors in Kent, Muskegon, Ottawa and Allegan counties who are under-resourced and impacted by poverty and food insecurity. Our services include our flagship Sack Supper program, sustainable farming, community food distribution and educational programming. KFB is now serving about 11,000 evening meals to 62 schools in four counties each weekday. With our community, we work toward a future in which all children have access to the nourishment that fosters their lifelong health and limitless potential. By sponsoring this event, you make this critical work possible.
