### Why Sponsor Farm To Table?

This event supports KFB's mission to nourish children to reach their full potential. We are a community-based food equity nonprofit serving our West Michigan neighbors in Kent, Muskegon, Ottawa and Allegan counties who are under-resourced and impacted by poverty and food insecurity. Our services include our flagship Sack Supper program, sustainable farming, community food distribution and educational programming. KFB is now serving about 11,000 evening meals to 66 schools in four counties each weekday. With our community, we work toward a future in which all children have access to the nourishment that fosters their lifelong health and limitless potential. By sponsoring this event, you make this critical work possible.

### How Your Sponsorship Nourishes Kids to Reach Their Full Potential

- **\$1,000** could provide a week's worth of Sack Suppers at a local school
- **\$2,500** could provide a season's worth of seeds at one of our farms, which can turn into 100,000 servings of produce for our community partners
- **\$5,000** could provide a single serving of protein per person for one school for an entire month
- **\$10,000** could provide supplies and snacks for our nutrition education programs for the year
- **\$15,000** could provide supplies and delivery of the 11,000 Sack Suppers we provide everyday across all four counties
