

Third-Party Event Toolkit

You can support West Michigan kids by hosting a third-party fundraiser that is tailored to you and your passions! From concept to execution, you are the host of this event with access to assistance from Kids' Food Basket! Below are successful events that have helped nourish children to reach their full potential!

Hospitality:

Dine-outs are a favorite among our West Michigan hospitality partners. Local restaurants set a promotional period where a percentage of proceeds/sales or a unique menu item supports KFB.

Fitness:

We encourage gyms and wellness organizations to bring their talents to our mission. Fitness partners can host a donation-based class where attendees gift money or Wish List items to participate.

Other:

There are a variety of ways to help KFB by hosting an event. The options are endless and up to you! Some successful ideas are listed below.

- Giveback event at your business
- Roundup at a point of sale
- Yard sale
- Wish List drive
- Bag decorating event
- Bake sale, craft show or fashion show
- Golf outing
